## Help Us Build Community

### **The Island Recreation Center would like to create a Partnership with you**

The Island Recreation Association invites you to take part in the advancement of quality recreation for our community, while promoting your business to thousands of potential customers of all ages in the area. We currently host and manage some of the community's largest special events that will bring results for everyone.

For nearly 40 years, the Association's mission as a non-profit organization is being dedicated to improving the quality of life for all area residents. The Association produces, provides and coordinates public recreation programs, "wellness" activities and special events. The Association commits itself to monitoring the recreation needs of the community and instituting change where appropriate.

All proceeds from our events go to our children's scholarship fund, which helps provide financial aid to families in need. The fund ensures that every child is able to participate in our summer camps, sports leagues, swimming lessons and other recreational and child-care activities to keep them healthy, fit and active.

***All donations to the Island Recreation Association are fully tax deductible according to Federal and State Laws as the Association is a 501(c)3 organization. This could provide an extra benefit to your clients.***

**Your tax-deductible sponsorship will not only put on a great festival but also positively impact our community's youth.**

Help build our community with your involvement in HH Oyster Festival while promoting your business to our local community and visitors. Your sponsorship empowers our Association to make a greater impact with our Children's Scholarship Fund, last year giving away \$276,000 to ensure that no child is denied participation in recreation and educational programs.

**Thank you for your consideration!**
